Subject: Thank you

Dear Jeffrey,

Thank you so much for the wonderful evening yesterday, for inviting us to your beautiful house and for the the continuos support to the BBB network. I spoke to the girls afterwards and can tell you that we all enjoyed the discussions and were impressed by the topics you brought up, as well as the fact that you made sure that all of us got the chance to express our opinions. It was also very impressive that you knew what every single person was doing. I also want to thank you for all the advice you gave while talking, I will definitely take them with me in my future career . I hope that you enjoyed the evening too.

All the best,
