Larry,

How am I (or VIPA for that matter) supposed to help here if I don't tell them about the issue? If it's not bothering them (and it obviously is not) then it will stay and it will only be addressed if we say something.

With warm regards,

Cecile

This is my next door neighbor, please don't throw me under the bus here!
Make it look like a standard ramp check, I don't want hassles with the locals, port authority should address on their own accord.

Thx
Larry

I sent this to Carlton on his cell phone and he had Jose Nazario call me. I forwarded the picture to him as well and he said that he will go and take a look at it.

With warm regards,

Cecile

The tan container has gasoline inside, this area is next to my ramp door.
This area continues to grow with junk, Michael Hancock sub leases to this mechanic, of course Hancock will not allow this tenant to store his supplies in his hanger.
