FYI from [REDACTED]. She will move tomorrow rather

Oh thank you dear [REDACTED]! Anyway, I wanted to write you that probably I will move in tomorrow and not today-yesterday I came back home very late from the meeting in consulate and today at 9.00am I had already a class at school so I didn't make in time to pack my bag. I will do so today after school. Have a great day and thank you once again for everything!! [REDACTED]
