Mr. Epstein

I am writing to you in reference to my sub contracting services. It has come to my attention , by reliable sources that my services are to be terminated and replaced. With this knowledge I cannot honestly work with full commitment to the job at the moment. I have enjoyed working at LSJ and would like to continue, however until I have some direction from you one way or another I will stay off island. When I submitted my last billing I included extra hours that I put in above and beyond 7am-4pm. I realized that when Ron wanted us to work until 6pm one day instead of 4pm that I could be at the mercy of a new manager. Up till now I have given you over 1500.00 in free time witch I am willing to let go. I wanted to lay out guidelines of my hours then and there. I am willing to work until 5pm the days you are on Island, however I bill bill a straight 9 hour day at a rate of \$25.00 an hour. When I work past 4pm or 5pm on those days an overtime rate will be applied. I hope this can explain in better detail as to what my status is on payroll. I hope to hear from you in a positive way for both of us.

Respectfully
David Starofsky
