Dear Mr. Jeffrey,
I would like to thank you very much for such a nice surprise. I was very pleased to find it when I came back to the apartment after a long day in school. The flowers are stunning and the chocolate is delicious.

Thank you once again and welcome back to New York.

Best regards,
[REDACTED]

Dear Mr. Jeffrey,

Hope you are having a good time on your island in the Caribbean. Yesterday I moved into your guest apartment. I would like to thank you once again for your help and generosity. It is much more easy now for me to reach the school. And the apartment is very spacious so that I'm really very comfortable with making my music here. I hope neighbors will not get annoyed of me playing violin during the day.

Once again many thanks for your generosity.

Best wishes,
[REDACTED]

Dear. Mr. Jeffrey,
Actually I was so stressed with all placement exams and meeting new professors that I haven't even time to contact the dormitory and ask if they still have free space available. Today I have one more placement exam and tomorrow I have a very important orchestra placement audition. Last couple of days has been so stressful for me, I cannot even explain how exhausted do I feel.. everything is so complicated..so new and different...
