Dear Sir,

Hope this letter finds you well. I am writing this letter again to once again ask you for your financial assistance.

[REDACTED] has pursue her schooling and she has two semesters left in her nursing program. She had tried applying for government loans but unfortunately it is not enough to cover the full amount of her tuition. I am humbly asking for you help once again and sorry to bother you.

You have been a blessing and hopefully you'll never get tired helping us, Sir. On behalf of my family we thank you and appreciate everything you've done for us.

Sincerely,

[REDACTED]
