i spoke with Mark Sacco who explained that this carpet is very expensive as it is 100% silk woven and made in Europe (not India or Nepal)
he said his competition Stark and Tai Ping sells carpet at larger markups then he quoted
he was reluctant to negotiate however i was able to get his price from 27,980 to 26,000
please advise

Hi Eric

I took a sample of the Stark carpet to Kim at Sacco today to get an estimate of lead time for the carpet. They actually have the same one at Sacco.

Could you please send us the quantity that we will need so that Kim could estimate how fast they could get it to us.

Thank you
