Subject: GIV carpet

Jeffrey,
after speaking to Eric, the Stark sample is at least 2 weeks away,. in the mean time, do you think its appropriate for someone with carpet knowledge such as Sarah or Sue visit a NY carpet supplier and gather samples of carpets IN/STOCK that may work for a temporary install for the GIV? there has to be a carpet supplier that has 60 yards of carpet that will work in the GIV in NYC. while the burnt orange STark sample is being prepared.

thank you
Larry
