Hi, Jeffrey:) How are you dear?

Yes, I'm still going to LA on Friday.

I connected with Jessica.. and she was so sweet, she wrote me this:

[REDACTED]

Jeffrey Epstein told me to be in touch with you. I just moved from LA to NY and he tells me you are doing the opposite and moving to LA.

I don't know whether you have a place to live there yet, but I have a beautiful apartment in Beverly Hills if you are looking for something more permanent starting September...

Also, he mentioned you didn't really know your way around there, so be in touch and ask me anything you want.

All the v best,
Jessica"

....I said that this time I have a place to stay... and I asked her if she would be so kind to meet me, because I have tons of questions to ask... so we deal about Monday.. but then on Monday, she wrote me that, she is so sorry, but she can't meet me, because of her rehearsal, so we postponed it for Tuesday, she said she's gonna let me know what time, but on Tuesday she didn't write to me, and on Wednesday morning she left to LA.

I assume she so busy, that's why she couldn't meet me... or she didn't really wanted to meet me... whatever... but it's all good... I'll figure everything myself...

I mean I just felt like it would be easier to ask her everything in person, than just keep texting her all my private questions. Do you know what I mean?

But.. anyway... it's ok...

Thank you so so so much Jeffrey for your help :)

By the way I weighed myself today and it was 122 lb. :) I'm still working hard in a gym and keeping my diet, so next time when you'll see me - you won't recognize me :) lol

Have a wonderful day, Jeffrey:)

Sending love,
