F,
It meant a lot to me to be at [REDACTED]'s funeral. My G-d, what a remarkable person. Courageous, uninhibited, uncensored, joyful, generous, kind, brilliant. Every eulogy was rich with stories. We laughed, cried together, sat shiva, and enjoyed great photos - a lifetime of photos. Eyes sparking in all of them. Wow.

[REDACTED] & Lesley were wonderful. I arrived late, whipped, and they made this so easy.

I stayed one night in [REDACTED] beautiful apartment. Did we lose [REDACTED] to that cute boyfriend?

On my way to LA for meetings. So brief. Prob won't get to see [REDACTED] til next time.

Much love & huge thanks!

Xo
