I hope he hears some kind of better news. I know you have been calming him down and all. I was thinking maybe he should go on anti depression or anxiety medication. He literally left NY sobbing today! I've never seen him this unhappy.. ;-(
He would probably listen to you more then me.

Again thanks so much and let me know if there's anything you think I can do to help.

Dearest Jeffery,

I hope you are doing well..

I haven't been wanting to bother you knowing the amount of help you are giving to Boris.
You are seriously an incredible friend and both he and I are so grateful.

Just wanted to drop you a quick note saying that, plus to ask if there is anything you think I can do to help. It kills me as I feel useless. All I can do is be there for him right now.

I am not sure if he's showing you how down he is. I've been literally seeing him break down uncontrollably on a daily basis. It's so hard to watch! ;-(
Please if you think there's anything I am do to help, let me know!

We are so grateful to you.

Best,
Sam
