I did not mean to say that you make judgements , only that you think I can always do better .
Thank you so much for that.

I know I can be good at work (can work hard , and I like working) its just a matter of someone giving me a chance. I will meet a few people after a holiday in the middle of August and hopefully start in September . Will let you know . X

quite the contrary, i make no judgement and only am glad that you are happy. .
and peaceful. education is less important that critical thinking, how to make
judgements, and communicating with others. . . I think moscow will be much
better than london. im sure you will do well

I have met a guy and very happy. I did not save a lot , but enough for me to start
my life in Russia. I am looking for a job at the moment. As i still don't have
higher education it will be something very junior. I am a little scared , such a big
change and happened so quickly . Very exciting at the same time. I know you
disapprove my irrational ways , but I really feel peacefully happy even though I
have a long way before I get my life on track here. It feels great being next to my
family (they also moved to Moscow)
How are you ? Anything new and exciting?
