Below from Tyler...just an FYI for you:

Hi Christina/Lesley,

I spoke with Jeffrey this morning about what needs to happen. I am going to work to come up with a plan of attack based on the circumstances and what we want to get fixed. I'll need a little bit of time to analyze the problem results. I may also have questions for you Christina related to what was working, what you have changed on which sites, etc.

I'm sure this is urgent for your team. I will do my best to have a game plan ready by Friday but it may take the weekend. From there I can start execution next week on activities related to the problem.

Who should I work with for invoicing / next steps?

Respectfully,

Tyler Shears
