Hey Les! I am not out yet. I haven't been to NY in about a month. JE told me I had till Sept 30th to move, so I haven't been stressing about it. I will be in NY next week for 3 days, but really busy with wedding stuff the whole time. Not sure I will have any time this trip to work on it. How urgent is this?

Hi [REDACTED].hope the wedding plans are going well!

Jeffrey is asking if you are out of your apartment as of yet? We have a long term guest arriving and Jeffrey would like to move her in to your apartment...

Can you let me know?

Thanks,

Lesley
