The big brass balls I mentioned a month or two ago.

Oh yes... and to start this goddam job at Phaidon!

But in lieu of a firm start date, I would like to explore what the New School has to offer. And I'd like, if you can connect us, to talk to Bob Kerrey about it. I'm sure he can give me his take on the writing program. Whether I start working sooner or later, I can still take a class while I work. It would make me very happy.

Am going to the premiere of Woody's latest tonight. Have you seen it yet?

Heat wave here dying down somewhat. So glad to be in NY either way...

I'm arrived in NY yesterday evening. Thank you so much for letting me stay in that lovely apartment. Letting me have the freedom to be here, before Phaidon becomes concrete is a big deal. I really appreciate it.

How is the ranch?
