Checking if there is anything you would like me to get done or source.

Sarah has asked me to ship her dining room chairs (they are ones she got for herself) so I will be doing so and sourcing replacement chairs.

Making sure Tes is fine with the cleaning of 301 and buying Lindas food

Also as we have not gone ahead with Tara, I am going to look for new furniture for Sarahs bedroom. I will let you know before I purchase just in case.
