Subject: Tom -> Adam

Fun.

This is Tom Okite from a fab lab in Kenya:

<http://eastafrika.ashoka.org/design-extreme-affordability-locals-locals-rural-kenya>

But when we were talking I mis-spoke, I was thinking of Abu from Ghana:

<http://academy.cba.mit.edu/2013/students/adam.abu/biography.html>

The conjecture/question/challenge is whether the Abus of the world can create ideas as well as things. I could put together a group of them to test.

Neil
