Hi j –

So I went to the end of term prize-giving for Christopher only to see him take top academic honours in his year!! – cue mommy sobbing into scrubby tissue found at bottom of handbag!

Also, how weird is this, our flat is for rent in London and apparently Mick J had a look at it yesterday!! – I haven't seen him in 10 yrs and it's bizarre to think of him wondering around our flat – small world or what?

Off to the South of France tomorrow for two weeks- where are you? – miss you x h
