have been trying....prices weren't great this aft. Am looking at NZD, AUD and maybe GLL options.

Will scour more over the weekend. Will give you an update on Monday.

Enjoy your weekend. Thank you for everything.....

I wanted to check wording on Appendix A with you before sending it in to be added to final version...

APPENDIX A

Trading will be opportunistic. The focus will be on realizing trading gains through the use of currencies, fixed income, equity and commodity products as well as any related derivatives and options. Options can be traded as standalone instruments. Second generation and barrier options will be used, as appropriate to take advantage of volatile markets.
