tell him that we waited over 6 weeks for his entertainment quote. and though the prices are the same for plating, we never ever checked them against another purveyor or gulfstream direct, so having an unchecked number for a week or a year is the same

Good afternoon Richard.

I am at LAX heading back to JFK tonight.

I will review your comments below tomorrow. I do wish to remain fair and hope that can come to an agreement tomorrow as I want to avoid a possible delay in schedule.

I have reviewed you June 28th proposal again and believe the proper number to finalize this project is 600,000.

I appreciate all the time and attention you have given this project however your June 28th revised total number of 639,197 reflects a 10,730 discount which is still less than the 20,000 increase from your April 13 to April 23rd proposals.

Please lets get this done for 600,000 so we can all move forward in a positive fashion.

I am free to discuss at your convenience.

Thank you.

Metal Plating

I do not agree with Larry's assessment for metal plating.

Our pricing should not come as a surprise. As a matter of fact, we provided budgetary pricing to you back in 2011' and 2012'. Our pricing falls right in line.

Our original proposal pricing was \$54,750. When you upgraded the finish, the increase was \$3,220, for a total of \$57,970.

I have provided 2 years advanced notice of pricing along with 6 proposals and we are now half way through this project.

<u>ESTIMATED PRICE</u>	<u>DATE</u>
<u>DESCRIPTION</u>	
\$45,000 - \$65,000	July 27, 2011
Letter to JE when looking at various Gulfstream's for acquisition	
\$45,000 - \$65,000	March 6, 2012
Letter to JE when looking at Gulfstream IV s/n 1030	
\$54,750	April 13, 2013
Original proposal for GIV s/n 1085 (brushed nickel or equal)	
\$54,750	April 23, 2013
Revision 1 proposal for GIV s/n 1085 (brushed nickel or	

equal)

*UPGRADED FROM BRUSHED NICKEL OR EQUAL FINISH
TO PEARLITE SILVER FINISH*

\$57,970	June 11, 2013
Revision 2 proposal for GIV s/n 1085 (Pearlite Silver)	
\$57,970	June 20, 2013
Revision 3 proposal for GIV s/n 1085 (Pearlite Silver)	
\$57,970	June 24, 2013
Revision 4 proposal for GIV s/n 1085 (Pearlite Silver)	
\$57,970	June 26, 2013
Revision 5 proposal for GIV s/n 1085 (Pearlite Silver)	

For the sake of appreciation for the lesson you are teaching me, I will agree to take 10% off of the metal plating option.

\$57,970
(\$5,790) 10% discount
\$52,180

Entertainment System

The reason that it has taken this long on the entertainment system is that we have explored every possible option and revisited some of these more than twice.

I have revisited my estimate. I believe my labor hours are in line as well as the costs for engineering and certification. The equipment is straight forward and the smallest part of the equation by percentage basis.

As a gesture of good faith and sheer exhaustion on the subject, I will agree to take 10% off of the entertainment system option.

\$49,940
(\$4,940) 10% discount
(45,000)

Lastly, I will agree to write off the \$1,749 that Air Ghislaine has owed us since February 19th, 2010.

Jeffrey, I always want our relationship to be strong and I am confident that I am being very fair. Can we now move forward?

at my direction larry spoke today to gulstream interior and Techno coatings in miami, they both were in the 30-40 k range for new or plated, the 50k car stereo . is a bit much, I would like you to revisit some of these numbers. richsaid his numbers come to a total of 600k roughly with stereo. / good luck in bev hills, I m not sure why this entertainment system has taken a month since we were there last.
