Hi [REDACTED];

We have a few items that we were hoping you could help us with:

JE would like to order two new bicycles that are the "comfort" style (so that you don't have to lean over like a mountain bike), but we do need a fairly aggressive tread on them as our roads are quite rocky. These can be shipped to Tropical if they are unable to fit on the plane.

Would you also please advise us on fabrics for the Flagpole Cabana sofas? There was previous mention of a wall unit for the Flagpole Cabana? Is it still needed?

I have attached drawings done by a couple of different local kitchen designers to redo the Flagpole Cabana Kitchen (just for measurements). JE would like to select the cabinetry and have it shipped down and installed locally. If you could please review ideas and select some options for his review.

Thank you so much for everything. We appreciate your help very much!

Best Regards,

Roy & Steph
