For the past two years you have very generously included as part of my annual compensation package 25,000 of education. My son Max has been accepted to Allen-Stevenson in September and my daughter Lyla will begin nursery school at our Temple in the fall. I kindly ask for your consideration if i can increase my annual education from 25,000 to 60,000 per annum. I have attached my compensation history and Allen-Stevenson invoice for your review. I would be happy to discuss in more detail next week when you are in NY. Thank you.
