Hi babe !
All amazing right now !
I just had a meeting with Thomas Zeumer this morning and... he like me !!!
I told me to send all my infos, cast me for a campaign and want to make a photoshoot with me
!! How crazy !!!
I am so happy you can't imagine how !

Fred call me at lunch time he told me Wilhelmina Miami wants me and we need to make a video
and i told him I am not sure that I can be a miami model maybe i ve got the shape but in my
head it's diferent so it's no.
I need to work but I won't go in the first agency like this just like this and waste more time.

With Steve we had a drink then we talk about his TV show and he invite me to watch this it was
interesting he was kind to me and he invite me to his football staduim on saturday but he
changed plan because he bring his daughter out for diner with her friend. Then he wrote me
that he will be back in 10 days in NewYork.

The only "bad" news is i went out last night I was suppose to came back home not to late
because of my meeting, but the guy I met and who introduce me to Thomas joined me at Le
Bain and after couple of drinks it was a disaster.
I mean we had made a super showtime at that bar with dancing choreographies and umbrella from
no where everybody took pictures of us we were like Mr and Mrs Jagger it was funny but
when I took the cab all the tequila went out and I was so drunk I loose my little pocket with
my ID, my only credit card, my metro card but I saved my two phones I don't know how,
fortunatly I always have my passport and money I kept in an envelop at the appartement
and I tought about buy a very small bag to not loose my stuff again but I think the best idea will
be to not get drunk like that anymore!

The thing is I was so bad this morning when I woke up (I didnt forget to put my ring clock for
the meeting haha) I told myself "no really you came here to get drunk like that ? you better be
perfect for the meeting and get something positive today!" well i think thats why I got it ^^*

Anyway my boyfriend is coming on wednesday till tuesday, do not worry he took an hotel ;)
I told him okay but I ll be focus on work and he ll be gone when Steve will be back.

Everything seems on a good way I still learning live alone and looking for increased my carrere
here is not always easy but it's good experience.
I had bad times last week on my meetings with agencies it hurts me but it was necessary :)

What about you ? for how long will you stay in Paris ?
