Larry thanks for the pictures.

I spoke to my guys in panama and they can go for \$155,000. I am getting quotes for shipping to panama and some are quite expensive. Please confirm if that works for you, we can close this deal right away and send someone to inspect and receive it after you received a down payment to secure the sale.

I understand the trailer is included.

Please confirm If payment should be in st thomas, USA or any other country.

Have a good weekend.

Fotis
