Subject: thank you

thank you very much for your work on the agreement. I did have fun and hope you did too!
Obviously couldn't have done it without you!

This is an important closure step for me, especially as the company is about to stare into the abyss as far as making products goes, at least for a few years.

Now onto Andreessen-Horowitz, some boards, and fun.

PS: Still need the right hedge strategy.

PPS: We're in NY in July to meet with Joel Klein (July 19).
