Hi

Of course, [REDACTED] can supervise , it will be a great help.

I am coming back to NY end of the week, and will stay until July 15th

If paint work could be scheduled after, it would be perfect.

Also, it gives me time to buy the paint and organize furniture,objects,etc and make it easier
thanks

let jean luc decide

I have inspected Jean Lucs apartment with Andrew. He has confirmed the water damage is the buildings responsibility. Jean Luc mentioned that he wanted the apartment repainted. The parts that are not damaged will be our responsibility. Andrew says we can do it all at once and he will discuss with Anthony how to divide it.

There is A LOT of artwork, furniture, objects in the apartment so they do want someone (Jean Luc or someone on behalf of him) present when the work is done. I know Jean Luc said in his email that he cant be there to watch them as he is traveling. So maybe you want me to supervise.
