Subject: Bedford Wx

Jeffrey,
new forecast will be out at 8pm tonight, at this time, Boston Logan is forecasting higher ceiling, the best airport for our arrival in Boston should be made at 8am tomorrow, Gutt tells me its going to be Boston Logan,. best arrival time would around 11am arrival.

Bedford forecast 7am-10am is 300 ceiling / 3 mile visibility.
after 10am 300 ft ceiling 1 mile visibility.

Boston Logan 8am-11am is 300 / 3/4 mile visibility.
after 11am forecast is 800 ft ceiling / 2 mile visibility.
