I think you should send a note to bill that says

I hope you are able to convince Melinda to change her mind, I have done nothing wrong. We are in the middle of so many worthwhile projects , If she refuses maybe she would allow the transistion to take place in jan 1 instead of sept , so this can be done with fairness . and with a smooth handover.

come to the island whenever suits you best. I am also availble by phone, . You might want to rest up, stay on the west coast , we can spend as much time as you need without you having to travel 20 hours. back and forth, especsilly givent the fact that i need you to be in top shape for next week if he is returning,
