We will make sure they take care of landing.

Daphne is working on arrangements for Chris. I will ask Chris if he would like Carlos to go with him.

Allied has ordered the parts and all Kawasaki service should be completed before you return.

I believe we discussed the shade house on the walk that we took on Memorial Day and you advised us to go forward with it. We decided that it would be barely visible after Chris completes his plant set up. We are staining it today to look like Tiki and the roofing will be the shading material. After the citrus and the boxwoods go in, it should be pretty much invisible, but we can certainly make changes if you require.
