Neil + [REDACTED] are concerned about todd. Last week I asked them stop talking- yet todd relentlessly kept harassing them both and for some reason especially going after ari. They then late fri - told me - they offered some \$ compensation - that if a deal happens - they would take care of ari - I sid to them - guys this is your deal- not mine - said stupid to even have those talks as there is a long way to go - IF this deal can actually get done - at all.

I spoke to [REDACTED] late fri nite + he was actually concerned/ as neil is-- that todd could tarnish their reputation- I said. Do you really think anyone would listen to todd ?? Fyi - i learned that todd had told neil a while back- that todd wanted to find someone to replace you in the transaction- so all the bs about protection him - is bs. He was going to try to find a better deal once the transaction was near complete - I was wanting to review all on the phone - but there it is
Getting stupid at this point

Neil and [REDACTED] called me as well to say that they are working on it with steve. That call occurred on Friday. Can you exercise any influence here as Neil and Ari respect you and are concerned with their reputations? Tommy Tisch is going to organize for me and [REDACTED] to have lunch and said he would tell him that "I am honest, a wonderful guy, talented and that he would back me himself"... they are best friends. I have retrieved texts and emails from Neil asking me to bring Ari into the equation dated May 22. Jeff- please help make this right. I have stuck by you, been a true friend and looked to you as a mentor. [REDACTED] and Neil would not have come together without me and without my working with both of them to find the right model. Steve Hanson should not be engaging with them as they are squeezing me out. There was room for everyone. .. this about greed and if you protected me [REDACTED] and Neil wouldn't cross you. They are afraid of you and worry about their reputations. Steve "wouldn't do this without you", I took notes on the call. He shouldn't do it at all... please stand up for me and exert your influence... I put my heart in this and can add tremendous value. As of Monday all emails and conversations with Neil and Ari were beyond positive. I am struggling and very upset. I only appeal to your sense of decency - I think you know how hard I have worked on this and for how long. Please help make this right.

Spoke to Steve Hanson a few times yesterday. He said that he is pursuing a transaction to partner with Neil and Ari and that he is doing this with you. Is it true? Jeffrey, I worked so hard to pull this together and to introduce you to the managers and the fund concept... how could Steve who you asked me to introduce to Neil, which I did, do this to me? I consider you a mentor and friend and I openly trusted you and who you brought. Finally if it is true that you and Steve are doing this- he said he wouldn't do it without you- why? I really worked hard, had tremendous opportunity cost, zero income, and thought you were my mentor and friend.
