Subject: Mules

I have priced the 2 Mules and have the following results:

Option A

Purchase 2 New 2013 Green Mules (please note that the 2013 green is slightly different than 2012)

Price $10,500 \times 2 = 21,000$ (does not include tropical shipping costs)

2013 Kawasaki Mule 4010 Trans 4x4 - Scout Green

<http://www.kawasaki.com/Products/product-details-features.aspx?autoplay=false&id=695&scid=0>

Approximately 6-8 days before they are received and assembled

Probably would arrive at tropical by Monday May 20th for a Wednesday May 22nd sail

2012 Kawasaki Mule 4010 Trans 4x4 - Woodsman Green

<http://www.kawasaki.com/Products/product-details-features.aspx?autoplay=false&id=529&scid=0>

Option B

Purchase 2 New 2012 Black Mules

Price $9,800 \times 2 = 19,600$ (does not include tropical shipping costs)

<http://www.kawasaki.com/Products/product-details-features.aspx?autoplay=false&id=529&scid=0>

Can be at Tropical by Wednesday May 15th for a Friday May 17th sail

Please advise Option A or Option B
