Subject: Reminder 2nd passport due to expire June 14

Did you want to try to extend your 2nd passport?...we would need to send everything to Washington tomorrow ...I would need to get the paperwork ready to go today!
Scenario would be: Fed Ex your 10 year passport to Washington on Wed. May 22 (when you are in NY). Agency receives on Thurs. May 23 and processes. You depart for STT on Fri. May 24 **without your passports.** Agency then Fed Ex's passports to you on island Mon. May 27. YOu receive on Tues. May 28th. (scary to me!)

You want to go to Paris on June 7, and need your 10 year passport...

Or you just re-apply for a 2nd passport at another time I suppose...!
