Thank you for your support and reassurance. I agree, I have not been working and it's only fair for you to take me off the payroll. I appreciate very much you taking care of my health insurance for now. You will receive the email for save the dates tonight.

Thank you as well for a bit more time in moving out; I will try and be out before then, but it's nice to have a buffer.

its time to make decisions. I m not sure what you expect of me, You haven't worked really for over a year now. you can stay in you apt until sept 30. I will move you now off of my payroll and continue to pay [REDACTED] and your health insurance. you should tell me what amount you think is fair, . I have not received the pre nup, the save the date. or anything re your marriage that you have suggested was on its way. You can always come back, but it appears you have already left.

you can google the calculation of even temp alimony under ny law, it is 30 % of [REDACTED] income minus 20 % of yours. , assuming he makes [REDACTED] it is approx [REDACTED] . per year. that is seperate and apt from child support, moving etc. split of assets grown,

As you know , the southern life is something foreign to me, as long as you are happy i am supportive, should you require want or need anything I am always always there
