Dear Johnny,

It's taken me this long to calm down emotionally and finally write this to thank you for setting up NASCAR with Sarah and Brian, and the apt. In NY, and Janusz driving us anywhere and everywhere in the DirtBrotherMobile.

Linda loved him... We even took him to lunch with us at Randazzo's. It was funny because he doesn't eat fish. Luckily they had a chicken platter... He inhaled it. He sho loved them French Fries!!

This was an amazing 4 weeks thanks to your friendship and generosity (yeah, I know STFU). I'm glad I got to see you, and will continue doing everything I need to do to stay around a while longer (yeah, I know STFU). Oh yeah, the Oreo ice cream was creamy-GREAT!!

I love ya Johnny (yeah, I know STFU)

And, I never say shit like this unless I have some serious shit going on....like the big C.

Thank you

Thank you

Thank you

(yeah, I know STFU)

Keep on Pushin'

Warren

PS: I'll send the party photos as soon as I get them.
