hi jeffrey,
.. i was thinking to start the ceiling in dinning room tomorrow(saturday). monday i can't work because is nobody there. and i think i need some help for painting the background of the ceiling. i have to paint transparent so i will use roller ant brush and it would be easier using another person.. he can roll and i can come from the back with the brush so the paint doesn't dry. i have to put probably like three coats. i was thinking to use michael for helping me with the background. in the same time he can help me for moving the furniture out of the room, rich is not coming tomorrow.
can i take michael to help me?
thank you,
ion
