What's the craziest thing you ever said at a job interview and still got the job?			
1.3k Gil Yehuda, Life is a job. You get a \$14.50 a day...			
In response to a job offer, I said no. As a result, I got the job.			
The set up: I was interested in the job, and read the job description carefully. I saw it had a list of... Read More »			
Black Helicopters: The man who stopped the Nazi bomb			
154 Graeme Shimmin			
Seventy years ago, a small team of Norwegians prevented Adolf Hitler's Germany from building an atomic bomb.			
• Yesterday, the leader of that team, Joachim Ronnenberg, now ...

What are the last things an astronaut does before going into space?

828 Robert Frost, Trained NASA, ESA, JAXA, CSA, and RSA...

For several days before launch astronauts and cosmonauts are quarantined to ensure they don't get sick with a cold or other communicable disease during their flight.

Astr... [Read More »](#)

What are the most important soft skills to have?

617 Jessica Su, to be brief

The ability to understand people's motivations.

If you don't understand people, they become arbitrary. You'll live in a world where people screw you over for no reason, a... [Read More »](#)

How does one stop a charging buffalo?

435 Rory Young, 23 years in wildlife management, fore...

I will only give the answer in terms of self defense against a charging Cape Buffalo. This assumes there is no option but to shoot as the animal is in a full charge, that... [Read More »](#)

Why did dinosaurs look so frightening, and why do living creatures today look so small and nice compared with dinosaurs?

565 Ian York, Virologist, immunologist, biologist

Three reasons. They look scary because they're unfamiliar; they look scary because they're not accurate reconstructions; and they look scary because they

were, in fact, sc... [Read More »](#)

Why do airlines make a big deal out of single piece baggage weight limits?

434 Khaliq Parkar, erstwhile teacher, forever student

Because the plane needs to take off, *turn* (or bank) and land.

There is more to it than Maximum Take-Off Weight. (the reason for the 46 kg limit)

... [Read More »](#)

Tell me one Professor you believe is the best in the world and why?

1.3k Saarthak Sachdeva, Cogito Ergo Sum
