If you need your 10 year passport with you to get back into the states from the USVI, then we need to wait to renew your 2nd passport when we have 5 business days in a row with you in NY. We must send in your 10 year passport along with the 2 year passport...Looking at your schedule, We should do this at the end of the month when you return to NY on Mon. May 27th. We must send the passports and docs to DC passport agency on either the 27th or the 28th...DC Passport agency receives on either May 28th or 29th...they process your 2nd passport and fed ex back to us by Fri. May 31st. Your 2nd passport is due to expire on June 14th.

OK to wait to renew your 2nd passport to when you come back to NY on May 27th and will be here for 5 business days?
