Just got a message from Leon that he will not be in NY the next 3 weeks. Since I was under the impression I was coming to NY to discuss Phaidon etc with Monsieur Black, it might be better if I come later, when he is actually there... Not a problem to change my ticket at all... If I'm going to sit around doing nothing, I may as well stay put in LA, finishing up some writing projects I've got here... Don't you think??
