Attached is quote and CAD rendering of the white rug with black border for flag pole pool cabana. This is the proportion of the total rug being 15'x17'(same size as the current rug) with the black border as 4" thick. Please let me know if you'd like to proceed with production of this rug.

(Please note that the scale of the white knots are incorrect)

Let me know if you have any questions.

Thanks!

Kim
