Good evening Jeffrey,

I saw most of these photo's as these appear to have been the ones used in all of the media publicity on the web.

Do you have / can you get any additional photo's - specifically those that may relate to ideas for your Gulfstream?

Time is of the essence as you are aware.

Il still need to get you finalized numbers, but we need to lock in the work scope and details so that I may do so.

I would like to get you / Richard a final contract and then receive a deposit. I am not terribly concerned as you and I have a long history, but we will need to get this done sooner rather than later.

Have a good night.
