Subject: ALRIYAMI,ASMAHAN Report and Biopsy Results

Hi Mr.Sultan

Here is the report done by Dr.Miller and a copy of the open lung biopsy results. We are planning on sending the slides to probably mayoclinic to be looked at by a lung pathologist

We have been trying to wean here off the ECMO and we are having some improvement.

If you have any questions or the people you are sending these reports to have any questions or need any further information let them contact me via email or phone and I will be more than happy to assist

As you know I care about her like one of my family and I will be willing to help in any way or shape that is beneficial to her case.
