Subject: Dibbern Dinnerware

Barneys seem to be the only dealer in New York that stock them. However, Barneys online only has a small selection. I will go into the store today and see if they have more or if we can order through them.

<http://www.barneys.com/on/demandware.store/Sites-BNY-Site/default/Search-Show?q=dibbern>

Dibbern also has an online store. I have emailed them to check whether they will ship to New York which I am sure they will.
