This was regarding barge
We had a set contracted price which was approved
Now he has break this out on a hourly basis
It doesn't make sense to me

I have not received any invoices for David
JEE mentioned you were proposing a 3 month contract however he said he never received as well

Regarding Island Marine invoice i need more details from vendor
Invoice clearly stated that it was a not to exceed price yet submission of his final bill gave no indication why we were billed full amount
Please have vendor provide some sort of backup (time sheets, hours worked, etc.) to show why we were billed full amount

Thank you and please call me with any questions
