Cool! I'll talk to my online editor.

How about the last Monday in September, whatever that is--29th? If you like the guest editor idea still, that might be a good day to do it. We let LeVar make an assignment and he got to select our main stories for the day. We can talk about what would be easy/fun.

BTW, I saw Lawrence this weekend at an "unconference" called SciFoo. I will tell you about it sometime. Unconferences are kind of a lark. A good kind. Lawrence thought everyone was a snob, and he might tell you that if you ask him sometime. I guess I'm more hopeful in general about people.

Am boarding a flight to London shortly so will be out of touch. Hope you have a good week.
