please take your name off my web page.. ITs caused us more problems than it is worth. I appreciate what you are doing to help. lets see if we get the results . Others are now up my ass , regarding,, did you get a degree from Cornell. were you ever registed as a student at Caltech, I don't give a shit . you don't need to dredge these things up. IT is not in your interst, your work is interesting. these ancillary issues will only diminish it.
