Subject: Some items - October 30, 2012

Greetings K,

Below are items JE would like for you to address regarding the Punch List:

1. The mattress cover for the Grotto - if the vendor is unable to complete it at this time, please get back the material and have it completed in NY.
2. The material that Brice is investigating for hydroseeding the top of hill and berm - what is the material?
3. The pace clocks for the Flagpole Pool Cabana - why is the delivery date so far in the future?
4. JE wants to speak directly with David regarding new mechanisms for closing the dock boxes.
5. Why is Big N not in drydock for the painting that is currently in progress?
6. When Peter is scheduled to be back on duty, not before, JE will speak with him regarding flowers and the master planter.

Kind regards, DW
