I spoke to Kevin White at AvPro, the prospective buyer is a commodities company from Japan. They told Kevin they would like to demo the aircraft in the next 10 days, Kevin told them a demo flight would be \$10,000.00 per hour prepaid in advance, non refundable, duration would be one hour or less. According to Kevin, they will offer \$4M and post a deposit in escrow first of next week. Kevin has received a lot of calls with many promises that do not come true, if the money goes into escrow, maybe this is real. just wanted to update you on this news.

thx,
Larry
