Oh absolutely. When do you want to do it? I arrive in nyc on monday. If you want to come monday night to the screening? I'll tell peggy. Failing that I can ask him if he wants to meet up later in the week.

I do know he is submerged with the play rehearsals this week but if it is important to meet separately I will see if he can make time.

Would definitely love to do it together.

Let me know what is best for you.

Has anybody hit you up for anything, do they need anything- what is the context, etc.... I will make all efforts I can.

Hi Jeffrey- sorry I'm not sure I understood your question. If you mean is al around to show the film Saturday- he is deep in rehearsals for the merchant of venice. But if you want to see the film perhaps peggy can arrange for it on Monday night? If not, let me know when and I'll try to set something up. At the moment I'm trying to capture Al's attention myself for my project as he is buried in work... So just let me know.

What's new?

Best,
Nick
