i did not see [REDACTED] fun time in any of this, have you caught the seattle disease.. a childrens story, , a fairy princess , lives in a dungeon , in a rainy dark environment, surrounded my unimaginable riches, she flys so fast, with narrow eyes, , only stopping to refuel. that she never has the time to laugh.

Hi there [REDACTED]. I don't really have any interesting projects like this going, I have always just wanted to. [REDACTED]

I am just back from [REDACTED] so my schedule is a little weird this week but perhaps a good thing for you to do might be to think about what your schedule looks like and how much you are willing to travel to try to do something like this. I understand that Jeffrey will be supporting you in this process, so perhaps talk to him too about what might be the right fit for you.

Think about it a little bit and let me know...

I would love to talk further with you about the idea and how we might partner on the project.

How do you suggest we best go about arranging a time to talk ~ when is convenient for you?

Best .
