Jeff,

It is now Saturday, and I have not received any of the content that we needed, and I was supposed to have it early this week. This throws our schedule off.

Also, I need two (IN YOUR OWN VOICE) and so I can't write it, TWO 400 word articles (so it is not a lot) of why you support science. I need this today and I mean today. It shouldn't take you more than a few minutes to rattle it off to your assistant, who can send it to be transcribed. This is extremely important.

it also has to be good, not perfunctory.

Thanks.
Al
